This spacious three-bedroom mid-terrace home is full of character, boasting high ceilings and well-proportioned rooms throughout. Situated on the edge of Castleford town centre, it offers the perfect balance of convenience and residential appeal. Just a short walk takes you to a range of shops, train stations, and well-regarded schools, making it an ideal location for families and commuters alike. Currently, the property has tenants in situ who would love to stay, making this an excellent investment opportunity for landlords. However, if you're looking for a home for yourself, the necessary notice can be served upon an accepted offer. For details regarding the current rental income, please speak with our team. The home offers two generous reception rooms and three well-sized bedrooms, making it a versatile living space. While the property would benefit from some modernisation, its size, layout, and sought-after location make it highly appealing. Externally, there is on-street parking to the front, while the rear yard offers additional space that could be used for parking or transformed into a garden. Due to the tenants residing in the property, there are no internal photos available—viewings are highly recommended to truly appreciate the space and potential this home has to offer!
